

Allaah's Knowledge

Allaah knows everything without a beginning and having no end.

Allaah knows what is in your heart!

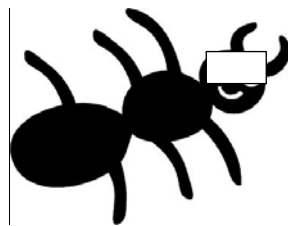

Allaah knows what you think!

Allaah knows all what you say!

Allaah knows all what you do good and bad!

Allaah knows even if a black ant crawls on black rock at night when it is very dark.

Allaah is always watching you. So you must do all your actions knowing that Allaah is Aware of all what you do. You cannot hide anything from Allaah!
