Maashaa Allaah very good. Now you got to answer few questions before we go forward. Ready? You can circle the correct answer.

1. What is the Soorah that has the aayah in which Allaah asked Muhammad ﷺ to call the Quraish to Islaam openly starting with his own family
 - Soorah Alaq
 - Soorah Ash Shu'rah
 - Soorah Al Mudhaththir

 - They were very angry
 - They were watching Muhammad ﷺ very closely
3. When Allaah commanded Muhammad ﷺ to warn his people openly what did he do?
 - He ﷺ called his uncles and near relatives and spoke about Allaah
 - He ﷺ was so scared of them he only spoke about Allaah to Abu Taalib
 - He ﷺ hid himself and never spoke about Allaah to any of his uncles.

5. To which Mountain did the Messenger of Allaah ﷺ go to warn the People first time about the punishment of Allaah if they continue to commit Shirk?
 - Mount Jabalan Noor Mount Al Marwa Mount As Safa

Ahsanti! You are a good girl, you have learnt a lot. Now draw a small mountain here just like the Mount of As Safa. Have you seen the Mountain of As Safa? Colour the Mountain Brown and write something about the mountain.

oh that's wonderful. Now here is something you enjoy. You have to write who said this and where did they say this, ready?

1. "And warn your tribe (Muhammad ﷺ) of near kindred"
2. "If I said, there were horsemen behind this mountain waiting to attack, would you believe me?"
.....
.....
3. "Perish you all the day! Have you called us for such a thing?"
.....
.....
4. "Therefore proclaim openly, that which you are commanded and turn away from Al Mushrikoon".
.....
.....
5. "Perish the two hands of Abi Lahab"
.....
.....

Mumtaazah! Now Aailyah is going to tell you what happened next! Read carefully!

- When the Messenger of Allaah ﷺ started to call people to Tawheed openly and warned them against shirk the Quraish got very angry.
- They called Muhammad ﷺ a mad man and a magician and told people not to listen to him.
- And they troubled and harmed the Muslims and tried very hard to make the Muslims Mushriks again.

- But The Quraish could not stop Muhammad صلى الله عليه وسلم who was calling people to the truth as everyone knew him to be truthful.
- So many Muslims especially orphans, poor and the slaves listened to Muhammad صلى الله عليه وسلم and became Muslims.
- And the Quraish were afraid of Abu Taalib and Abu Taalib was protecting Muhammad صلى الله عليه وسلم from all the evils of the Quraish even though Abu Taalib was not a Muslim he loved his nephew Muhammad صلى الله عليه وسلم
- So the Quraish went to Abu Taalib and asked him to stop Muhammad صلى الله عليه وسلم from calling people to Allaah and to stop him from saying bad things about their idols.
- But what did Abu Taalib say?

Now you can answer this as well as some more interesting questions Inshaa Allaah. Can you?

1. So why do you think that the Quraish were so angry when Muhammad صلى الله عليه وسلم called people to Tawheed?

.....

2. Why do you think even after the Quraish warning people not to listen to Muhammad صلى الله عليه وسلم, the people still became Muslims?

.....

3. Why could not the Quraish stop Muhammad صلى الله عليه وسلم from calling people to Allaah?

.....

4. Why didn't Abu Taalib stop his nephew from calling people to Tawheed even though he himself was a Mushrik?

.....

.....
.....

5. Now Aaliyah wants to know something from you. This is what she is asking you. Now if you were to be at that time in Makkah would you have listened to Muhammad صلى الله عليه وسلم? If so why? Would you have been a Muslim even though the Quraish harmed you? Why? So do you listen to Muhammad صلى الله عليه وسلم now? How do you listen?
